

Tablet PC's at school

1. Open tablet and switch on (on bottom left corner of screen). You will have to switch to the right to turn on.
2. Once Novell Client screen appears, log in as normal (username and password).
3. A gray screen will appear. Simply click on the OK button. You do NOT need to type in a password here.
4. You will be sent to the desktop and can now use the computer as normal.

Tablet PC's at Home

1. Open tablet and switch on (on bottom left corner of screen). You will have to switch to the right to turn on.
2. Once Novell Client screen appears, find square box at bottom left corner marked "Workstation Only". Click inside this box to check it.
3. Press Enter or click OK.
4. This will get you to the desktop but you will have access to those items ONLY saved to that particular computer.
