# Deciding to Participate

1. IHE's have their own withdraw dates
2. CC+ is for transcribed credit
3. FHSD does not guarantee courses transfer
  - Credit transfer to public Ohio IHE's is required
  - Private or Out of State should be verified
4. Athletic eligibility & scheduling for extracurricular activities
5. Transportation and parking costs are student's responsibility

# Communication is Key

Talk with your counselor!

- When applying
- When notified of acceptance status
- When registering for classes -  
TIMING IS KEY - Early August
- If you change classes (drop, add, substitute)
  - Impact on graduation
  - Impact on payment
- Grades

# Potential Risks

- Be aware of all procedures & classroom expectations that could be very different from your high school
- College grading scales can be different from ours. The grade reported from the college will be what appears on your transcript.
- Calendar years can be different, all final grades must be reported to your high school before graduation in order to participate in the ceremony. Also, vacations may not line up and if you are taking courses through both schools, you may not get one.
- Transferability does not equal applicability

## Non-Allowable Courses

### These courses are not permitted under College Credit Plus

- Applied courses with one-on-one private instruction
- Courses with high fees (\$750 or more)
- Study abroad courses
- Physical education courses
- P/F or S/U courses (unless the course in an internship or is a transferable course with the same grading scale for all students enrolled.)
- Remedial courses
- Sectarian religion courses

# Credit Limits

- Limits  
30 semester credit hours per school year (includes summer school)
- Not more than 120 semester hour credits in middle & high combined

# Credit Equivalence

Three or more CC+  
semester hour credits  
=  
1 High School  
Credit

# Total Credit Limits by Year

- Determine # of high school credits taking (Carnegie Units)
- Multiply that number by 3
- Subtract result from 30
- =maximum # of CC+ semester credit hours in a single school year

# Example

Example:

5 HS Carnegie Units

$$\times 3 = 15$$

Result:

No more than 15 CC+ credits  
allowed

# Added Weight Given to CC+ Courses

- CCP courses are weighted according to the highest weight offered in the corresponding FHSD content department as required by the State of Ohio.

## Probation/Dismissal/Appeal info

- [CCP Probation:](#) An underperforming student is placed on CCP probation
  - May take no more than 1 CCP course the next semester
