

Kids have fun,
parents see results

Become a Ninja Today!

BUILD VIDEO GAMES, LEARN TO CODE, HAVE A BLAST!

At Code Ninjas, kids learn to code in a fun, safe, and inspiring learning environment, with a game-based curriculum that they love. Kids see real progress and gain confidence by acquiring life-changing STEM skills, from robotics and problem solving, to math and conditional logic.

We have multiple different programs to fit your wants and needs!

The material contained in this communication, and the activities and organizations which it describes, are not endorsed or promoted by Forest Hills School District.
5% of your child's registration fee will be donated to their school.

PROGRAMS FOR EVERY OPPORTUNITY

- ✦ Extracurricular Activities: Extend coding and STEM learning outside the classroom.
- ✦ Fundraisers: Raise money for school spirit events and booster clubs.
- ✦ Camps: Engaging topics like coding, game building, apps, robotics, and drones.
- ✦ After School: Boost the fun and learning every weeknight.
- ✦ Field Trips: Bring students to our center for a high-tech educational experience.
