

**HELP US STOP
THE SPREAD OF
CORONAVIRUS**

DAILY HEALTH CHECKS

FHSD ASKS THAT PARENTS:

03

Keep students that do not feel well home. Do not send sick students to school.

01

Monitor your child's health daily to ensure that they do not have a temperature of 100 degrees or higher.

02

Ensure your child wears an appropriate face mask to school each day, including while on school transportation.

04

Notify your child's principal immediately if they have been exposed to COVID-19 or if they, or any members of their households, have been diagnosed with or are presumed to have COVID-19. Parents should also notify the principal if their child is quarantined.
