

Why Forest Hills?

There are numerous sport opportunities for your child to participate in throughout the year. Finding the best club or organization is often the hardest part. Here are several reasons that make FHAC the best choice for parents looking for a competitive football and cheerleading experience for their children.

- We hold home games at the Riverside Park Turf Facility, providing us the safest playing surface in the United States per Gmax ratings.
- All of our cheer and football practices take place at the same time at the same place, meaning no need to rush from field to field for drop offs and pickups!
- Our coaches are certified by the National Youth Sports Association and use the Heads Up football model. This model worked with football experts and medical professionals to meet the needs of player safety.

- Our league groups children by age, rather than grade. Meaning your child will be playing with and against children that are on the same developmental and physical level, making it safer for your child.

- We play Western Brown, West Clermont, Blanchester, Batavia, CNE, Goshen, New Richmond, Norwood, and Deer Park.
- We have consistent games times and dates. Regular season games are played on Saturdays going from youngest to oldest, starting at 10 am.
- Cheerleaders are guaranteed to participate in at least one cheer competition per year!
- Last year our teams at every age level made our league playoffs. We were the only organization to do so!

-One of our coaches from the 2018 season was chosen for the National Double-Goal Coach Award. This award is given to the **top 50 youth sport coaches throughout the US** who strive to win, while also pursuing the more important goal of teaching life lessons through sports.
