

# Share the kin caregiving experience with others like you.

Whether you're a grandparent, an aunt or uncle, or other relative, caring for a loved one's children full-time can be a challenge. It's easier when you can connect with others experiencing similar circumstances.

Our Kinship Connections group creates a community for kin caregivers to learn from one another and bond over their experiences.

This program is free for residents of Hamilton County. All Kinship Services are complimentary, due in part to a grant from Ohio Children's Trust Fund.
