

Pottery Handbuilding and Painting Classes at Maddux

A great opportunity to learn the ceramic process!

Paint Pottery At **YOUR** Location
513-474-6364 www.starglazers.com

Join us as we learn with clay and pottery paints. We'll create some really cool pieces from clay that will get fired in the kiln. Then we'll paint them using mega-fun techniques. Don't worry if you took the class before. We do all new projects!

Class is offered twice this year! Take one or both! After school until 5:00 on the following:

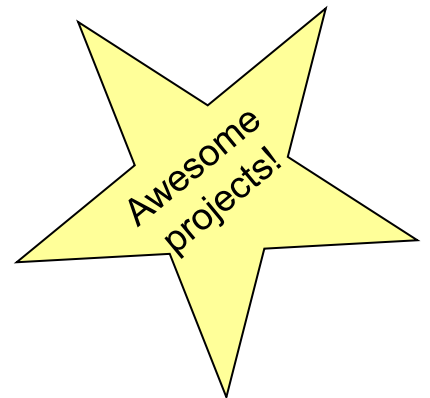

- **October 10, 17, 24**
- **February 5, 12, 19**

Price: \$30 per child for each session
Grades: K-6
Room: Art

Clay and paints are water soluble and will wash out of clothing. Please provide your own smock if you desire.
