

Forest Hills School District Preschool Program Volunteer Policy

Dear Preschool Parents,

At this time there will be "limited" volunteer access in our buildings during school hours for the 2021-22 School Year due to Pandemic Procedures and Guidelines.

Preschool volunteers will not start until **October 2021** to give the classroom teachers an opportunity to build their classroom routines and develop rapport with the students.

As a reminder, all volunteers will be masked at all times in all buildings. Only 1 volunteer per day will be allowed. Siblings are not permitted. To allow all Parents/Guardians the opportunity to volunteer, we ask that you schedule only 1 Volunteer shift per month.

In addition, you must have a current background check to volunteer in any FHSD building.

If you believe you have volunteered in the FHSD in the past five (5) years please contact your child's school to see if your background check is still valid before starting a new background check.

If you need to update your background check or if you are a first-time volunteer please follow this [LINK](#) to complete your background check.

Preschool Volunteer Opportunities: (Per FHSD policy, Volunteers are not permitted to work directly with children.)

- Help the Teacher Copy items or prepare future classroom projects/materials.
- Join the Preschool Class for Playground time.
- Join the Preschool Class during Center Play designated period of time to engage with your child only in the classroom.

If you would like to Volunteer after October 1st, 2021, please contact your child's teacher to set up a specific date/time.

Please let me know if you have any additional questions.

Thank you for your partnership!
