

02.20.26

AHS Family,

It is always a pleasure for me when I get to just pop into classrooms. Seeing the relationships that have formed, the impressive work our students are able to do, and (my absolute favorite thing) the lightning bulb moments! This time of year can sometimes feel like a 'grind' and it has been great to see our staff and students still working hard, working together, and working towards deeper learning.

Have a great weekend!

Anderson Proud,

Kyle
