NATIONAL TESTING INFORMATION (ACT/SAT)

Why Take The ACT?

Taking the ACT test can increase your chances of earning new or better scholarships. Colleges use ACT scores to place you in the right classes at the right level. And, your ACT score can help you place out of remedial coursework rather than sitting for additional placement tests on campus — saving time and money!

Why Take The SAT?

Most colleges—including those that are test optional—still accept SAT test scores. Together with high school grades, the SAT can show your potential to succeed in college or a certain career field. Taking the SAT is strong evidence that you're ready for college and have what colleges are looking for. Plus, you can choose to only send your best scores to colleges.

ACADEMIC SUPPORT

Students have a 25 minute advisory period everyday in their schedule. We encourage students to work with teachers during this time if they need help in any classes. Additionally, teachers have regular office hours before school (7:10-7:55) a few days a week to provide assistance to students.

- **AFTER-PROM**

MAY 4th AFTER PROM -- planning is well underway! DONATE TODAY!

Juniors & Seniors (and their guests) will have an unforgettable night through a Vegas-themed After Prom experience on May 4th! You DO NOT have to attend Prom to attend After Prom. We anticipate 500 students spending their early morning post-prom hours having fun in our safe,

alcohol and drug-free environment. We will have a two-room casino, unlimited food and drinks, laser tag, glow golf, animals, mechanical bull, raffle prizes and more!!!

To help more kids be able to attend the event, we are actually **lowering** the price this year! We rely on generous donations to cover the remaining costs. We can't do it without your support!
