AHS Family,

We are thrilled to announce that Paige Orick will be recommended to the FHSD Board of Education as the new Assistant Principal of Assessment and Accountability at Anderson High School! Paige was selected from a highly competitive pool of over 60 applicants following an intensive interview process involving staff, students, and community members. As a familiar face in our building, Paige has already proven herself to be a tireless advocate for our students, and her transition to the administration team is a significant win for our entire school community.

Pending board approval on May 20, Paige will spend the summer transitioning into her new role. Known for her strong communication skills, integrity, and deep knowledge of instructional strategies, she is "all in" for AHS. While we will miss her in the classroom, we are confident that her leadership will bring immense value to our students and staff as we continue to strive for excellence together.

Anderson Proud,

Kyle

AP TESTING INFO

Students will have access to testing locations, seat numbers, and proctors via Schoology. Please pay close attention to the set [AP testing schedule](#). CollegeBoard only allows testing to take place during determined test windows. Therefore, it is important students are where they need to be on time, if not early! Also note, some tests may go past the 2:40 end of day at Anderson High School. No student will be dismissed until the end of the time frame required by CollegeBoard. If your student has any questions about AP testing, tell them to reach out to their AP teacher or Mr. Amburgey. All students must test on their school issued device. There are no exceptions. Please make sure your student charges their device the night before their exam.
