

**05.06.22**

Dear AHS Families,

May is such an eventful time at a high school. Lots of exciting culminating events are taking place or approaching: AP testing, musicals, concerts, projects, Prom, After-Prom, banquets, Commencement, etc.

It is important, however, to take note that the finish line is yet to be crossed and we should be doing our best to finish strong! Be it in the classroom, on the field, track, or stage, we want to finish the school year on a high note.

Anderson Proud,  
Kyle

P.S. We will continue to update the [Senior Class of 2022 'One-Stop-Shop'](#) document as we approach the end of the school year as a means to make tracking the information needed for seniors and their parents a little easier. Some important info has been added to the document to get things started.

We have also created a [New Parent One Stop Shop](#) for any parents with students who are new to AHS for the 2022-2023 school year. Full disclosure, this is still a work in progress.

#### **FROM THE DISTRICT:**

- **Village Connections- a FHSD Special Education Community**  
Join Village Connections, an information sharing and support community for families of students with special needs, for the final meeting of the school year next Wednesday, May 11th from 6:00 p.m. - 7:00 p.m. in the Learning Commons at Nagel Middle School. The topic is Building Independence at home. We will be discussing what has worked for families in teaching daily living skills and increasing independence.
- **Community Mental Health Presentation**  
The FHSD Wellness Team was joined by two crucial community partners who shared their insights and expertise related to mental health and suicide prevention this week. You can learn more about what was discussed [here](#). The full presentation is available to watch [here](#).
- **Special Education Parent Survey**  
The Ohio Department of Education has selected FHSD families to participate in a survey about special education services. The goal is to collect information that will help ODE improve services for students with disabilities across Ohio. If you have a child with an educational disability, please click [here](#) to take the survey.
- **Anderson Township History to Schools Tree Program -**  
19 years, 9,000 saplings later...  
Anderson Township has provided over 9,000 saplings to second grade students in the Forest Hills Local School District over the past nineteen years through its ongoing History to Schools program. This has been part of the celebration of Arbor Day and Anderson's efforts as a Tree City USA Community.  
So, how many of those little trees have now taken root and are thriving? In honor of Arbor Day, we are asking residents who have planted their History to Schools sapling to share a photo of their tree (or, for those receiving one this year, a photo of it being planted). Photos may be emailed to [info@AndersonTownshipOH.gov](mailto:info@AndersonTownshipOH.gov) or sent via Facebook Messenger to Anderson Township, Ohio. Thanks for helping to spread the tree canopy in Anderson Township!
- **FHSD Update on Turpin Racial Diversity Awareness Day**

At a special meeting Sunday afternoon, the FHSD Board of Education discussed Racial Diversity Awareness Day at Turpin High School and voted to make changes to how Diversity Day is presented and offered to students.

Here is the motion passed by the Board:

*I make the following motion that Racial Diversity Day at Turpin High School:*

*(i) shall not proceed during school hours and*

*(ii) shall not be conducted or further organized during school hours or through the use of school or taxpayer resources.*

The district is adhering to that decision and, for that reason, Racial Diversity Awareness Day at Turpin High School, which was planned for May 18, will not be moving forward. At this time, FHSD staff have determined they will not be able to organize an event that meets the newly instituted board expectations before the end of the school year, so it will not be rescheduled for this year.

- **Mental Health Resources:**

Did you know?

Stress is the body's reaction due to pressure from an event, situation, or thoughts. Common stressors for students can include but are not limited to challenges with relationships, academics, family discord, or significant life changes. Students may struggle with verbalizing their stressors and instead might demonstrate irritability, changes in behavior, difficulty sleeping/sleeping too much, neglecting responsibilities, or showing signs of physical illness. To help students with stress levels it's important to help them utilize different management techniques. Stress management can look different for everyone, but encouraging students to get enough rest, exercise, make time for fun, and communicate about their needs can help set them up for success.

If you, your student, or anyone else you know is in a **life-threatening mental health crisis, call 911.**

Please also be aware of **suicide hotline contact information: Phone - 1-800-273-TALK**

If your student is experiencing a **non-life threatening mental health crisis** and you need direction on next steps to stay safe, we urge you to **call the Psychiatric Intake Response Center (PIRC) at Cincinnati Children's Hospital. The PIRC line is 513.636.4124.** This line is staffed 24 hours a day, 7 days a week.

**Text - Text "NAMI" to 741-741 for access to 24/7 mental health crisis counseling via text.**

If you have concerns about threats to **student safety**, we urge you to call or text the **Safer Ohio School Tip Line at 844-SaferOH**. This line is staffed 24 hours a day, 7 days a week. If you are seeking additional resources, we encourage you to start at the links below:

**STUDENT FEES REMINDER:**

This is a courtesy reminder that your student may have fees that are unpaid. Please note that all fees for AP Exams must now be paid in full. We are unable to release final report cards, diplomas and transcripts until all financial obligations are met. If your student is on a special plan with your school please disregard this notice. The preferred method of payment is by credit card via [SPSEZPay](#). Payments may also be made by cash or money order, payable to AHS. If you have questions regarding any outstanding fees, please contact Eileen Birk at [eileenbirk@foresthills.edu](mailto:eileenbirk@foresthills.edu).

**Attention Parents of Rising Seniors for the 2022-2023 School Year:**

REMINDER: 12th grade students (including students who attend the Oaks or College Credit Plus programs) are required to have documentation on file in the school health office showing proof of receiving:

2 meningitis (MCV4) vaccine doses (NOT meningitis B recombinant)

\*\*\* One dose must be after the 16th birthday. If the *first dose* is received after the 16th birthday, only the one dose is required.

**Currently your student's immunization record is NOT complete for this requirement.**

Please provide a current copy of their immunization record to the school health office showing evidence of receiving this vaccine. You can email and attach a copy of the record to [suzanneackel@foresthills.edu](mailto:suzanneackel@foresthills.edu).

**2022 STUDENT RESPONSIBILITY FOR TEXTBOOKS**

All textbooks are the property of the Forest Hills Board of Education. Textbooks are loaned to students for their use during the school year and become the personal responsibility of each student. Students will be held accountable for textbooks and are required to return them at the end of the course. Fees will be assessed for loss or damage to textbooks. These range from rebinding costs to book replacement charges. Replacement costs typically run between \$50 to over \$100. Seniors, this is a reminder that you are responsible for returning all of these materials(textbooks, devices, library books). All overdue and lost items must be resolved before graduation. Diplomas will be held until all obligations are met. Questions? Contact [bettyfeller@foresthills.edu](mailto:bettyfeller@foresthills.edu)

### **ADVANCED PLACEMENT ASSESSMENTS:**

#### **AP Student Information**

AP Tests are just around the corner! Next week students will be able to access Schoology for the exact location for each exam at Anderson High School. Other important factors for students taking AP assessments:

- The start time for each exam is NOT flexible. Students must arrive at the appropriate location on time!
- Students are NOT permitted to miss other classes during the day if they are not testing. Students will only be excused from classes if they are in an AP test.
- Students are required to stay for the entire length of the assessment, regardless if they finish early.

If students have any questions about AP assessments, they should contact Mrs. Bamber immediately.

### **DANCE TEAM AUDITIONS:**

Anderson High School Dance Team is excited to announce their audition dates. All current 8th - 11th graders are welcome to audition. Audition packet:

### **INFORMATION ABOUT NCAA ELIGIBILITY:**

The NCAA recently shared helpful resources for students considering playing their sport at the next level, and their families. If interested, view [THIS INFORMATION](#)

### **ACADEMIC SUPPORT:**

Students have a 25 minute advisory period everyday in their schedule. We encourage students to work with teachers during this time if they need help in any classes. Additionally, teachers have regular office hours before school (7:10-7:55) a few days a week to provide assistance to students.

### **GREAT OAKS SPOTLIGHT:**

#### **PARKING:**

Students in Good Standing are eligible to purchase parking passes for the school year. This means students must have all their credits. If you would like to purchase a parking pass or have a question about student parking, please contact Mrs Stanyard, [emilystanyard@foresthills.edu](mailto:emilystanyard@foresthills.edu).

*We are getting complaints from neighboring businesses about student parking on their property. Please be aware that they plan to start towing.*

### **SCHOOL DROP-OFF AND PICK-UP INFORMATION:**

If you are dropping off your student before school or picking up after school, this should happen in our south lot according to the diagram above. Pulling forward around the loop allows for better traffic flow on Forest Road.

**There should be no pick-up or drop-off occurring in the parking lots of our neighboring businesses or our northern lot (Lot E).**

### **PARENT SPOTLIGHT:**

### **PROGRESSBOOK/SCHOOLGY UPDATE:**

Today marks our halfway point for the fourth quarter marking period. This is a good time to check your child's academic progress on Progress Book. As always, if you have concerns or questions regarding your son/daughter's grades, please reach out to their teacher for information and possible ways to support your child's academic success from home.

## After Prom Volunteer Sign Up 2022

After Prom is one of the biggest nights of the year for our Juniors and Seniors and in order to pull it off, we need over 100 volunteers to work that night! Volunteers need to arrive at 11:00 pm (there is a mandatory safety meeting in the cafeteria) and stay until 4:00 am. The last 30 minutes will be spent helping us to quickly clean up to get ready for the church set up for that day. Yes, it is a very late night. . . but it is also lots of fun! You do get breaks throughout the night so that you can see the kids, visit your friends who are volunteering and eat some tasty food!
