

Mid-Summer Update

07.02.25

AHS Families,

We certainly miss all the energy and excitement of the school year; however, there is still a lot happening on the AHS Campus throughout the summer- summer camps, facilities projects, interviewing/hiring new staff, reflecting on the prior school year, and creating action plans for next school year! While there is still plenty of summer left to enjoy, we wanted to highlight some important information as we all plan for August. Some upcoming events and the AHS At a Glance, which contains a lot of useful information, can be found below.

As always, please feel free to reach out with questions.

Anderson Proud,
Kyle
