AHS Family,

We are THRILLED to have had our students at AHS the last few days; this building truly came to life! It is so exciting to think ahead of all the growth our students will make in the classroom and their chosen extracurriculars.

Anderson Proud,
Kyle

FROM THE DISTRICT OFFICE:

Library Book Checkout Options for Families

As we begin a new school year, we want to make you aware of an option regarding school library checkouts. By default, students are able to independently select books with the support of our trained library staff. However, families who prefer to review and approve each book before it is checked out may choose to complete an opt-out form for their child. No action is needed if you wish for your student to self-select books. More information and the form are [available at this link](#).

Bus Route Information via Stopfinder

As a follow up to the district-wide email notification earlier this week, families should be able to access their student's bus route information in the Stopfinder app. Registration emails from Stopfinder were delivered earlier this week to a parent of all students who are scheduled to receive transportation services this school year. The information shared in our email has been posted to our [bus routes webpage](#) for easy access.

School-Based Mental Health Partners

Starting this school year, FHSD is partnering with Necco (elementary) and Cincinnati Children's (secondary) to serve as our official school-based therapy partners. If you are interested in learning more about optional services for your student, [please visit our website](#) for a brief overview of the partnership and to find links for service referrals for each school.

Breakfast is Available at AHS

As school begins, we want to offer a friendly reminder that breakfast is available before school every day from 7:40-8:00 in the cafeteria.

Cell Phone Policy Reminder

Based on new legislative requirements from the state of Ohio, FHSD has updated its cell phone rules at the high school level. Please remember that when other technology (earbuds, smartwatches, etc.) is connected to a cell phone and used to access cell phone functions, that device is treated as a phone under the same conditions. [Learn more in this detailed article on our website](#).

Final Reminder - Take the Beech Acres Engagement Survey!

Anderson Park District, Anderson Township and FHSD are collaborating on a Community Engagement Study to explore future possibilities for approximately 23 acres of land adjacent to Beech Acres Park. All community members are invited to participate in an online engagement survey, [which you can find at this link](#). The survey closes Aug. 24 at 11:59 p.m.
