

07.24.23

We hope you all are having a fun and safe summer! The AHS office team has been hard at work gearing up for the 2023-2024 school year; we are sending a 'mid-summer' newsletter home to relay a few important dates/events (see below).

There are also lots of fun and exciting things happening around the AHS campus during the summer with all the camps and activities! Whether it's academics, arts, or athletics- there is no substitute for the authentic learning experience that accompanies those experiences. During the summer, I have made it a point to get out every morning and see what our students are up to- such a blast!

I want to extend a heartfelt welcome to all families who are new to AHS for the upcoming school year! To help with the transition and create a one-stop-shop for common questions even for our returning families, we have created this document: [2023-2024 AHS At A Glance](#). This document was shared with families earlier in the summer, but it never hurts to bring it to the top of the inbox!

Kyle

P.S. PLEASE do not hesitate to email me with questions/concerns, particularly over the next several weeks as we gear up for school. I may not know all the answers, but I'm happy to help in any way that I can.
