Criminal Records Check for Volunteers 18 Years or Older

The Forest Hills School District is proud and appreciative of our many volunteers' countless hours of support. Our high school student volunteers as Camp Kern counselors are invaluable to this important program.

Please be advised that for the protection of our students, the Ohio Legislature passed a law (Section 109.574 of the Revised Code of Ohio) that requires school districts to notify all volunteers that they may be required to provide a set of fingerprint impressions and that a criminal records check may be conducted of a volunteer.

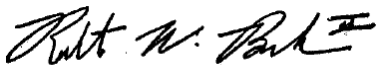

The Forest Hills School District requires volunteers 18 years old or older to comply with a fingerprint and criminal records check if in a supervisory position or working with students at any time without the supervision of a FHSD employee. **All selected counselors 18 years or older at the time of camp must go through this process. This must be completed by April 9th, 2027.**

Please do not come in for a background check until you have been notified that you have been selected and have committed to being a Camp Kern counselor. Social Security number is needed at the time of background check.

Forest Hills School District is confident that our history of volunteers is of the highest quality and is pleased that this legislation is designed to ensure that volunteers in all schools and other organizations are helpful, supportive, and positive models for children.

We thank you for your willingness to volunteer as a Camp Kern counselor and look forward to a long and positive relationship serving the students of Forest Hills.

Sincerely,

Robert W. Buck III
Director of Elementary Teaching & Learning
