HAMILTON COUNTY 4-H PRESENTS

Let's Grow Together

Join us to learn about growing your own food and preserving your environment! Our series of eight lessons will teach about plant science, healthy soil, ecosystems, and cooking from the garden. Each participant will be able to choose their own plants to grow on the farm and cook with at our last class, and some sessions will have take-home projects as well.

Quick details

- Free! No fee to attend
- For students going into grades 2-5 in the fall
- No previous gardening experience required
- Aim to attend most or all sessions for best experience
