

CODE NINJAS ANDERSON TOWNSHIP

513.233.2633

Code Ninjas® is the world's largest and fastest-growing kids coding franchise, with hundreds of locations in the United States, Canada, and the United Kingdom.

KIDS LIKE VIDEO GAMES? THEY'LL LOVE CODE NINJAS!

- ✦ Game-based coding education.
- ✦ Always fun, never intimidating. All levels welcome!
- ✦ Receive full support and encouragement from Code Senseis®.
- ✦ Play and work together alongside fellow ninjas and make new friends.
- ✦ Kids aren't aware they're learning - just having fun!

PROGRAMS FOR EVERY KID & EVERY SCHEDULE

In our CREATE program, kids make awesome video games and develop coding skills on the path from White to Black Belt. Our flexible schedule allows kids ages 7-14 learn to code year-round at their own pace. Drop-in at your convenience during weeknight and weekend hours.

Transform your child's love for technology into an exciting learning adventure over the summer break! Explore exciting topics like Minecraft, Roblox, game building, modding, robotics, 3D design & print, video production and more! Kids ages 5-14 are welcome!

Explore exciting games like Minecraft or Roblox! Make friends and socialize while working creatively or strategically. Experience an open world on a safe server with other gamers!
