THRIVING BEYOND THE CLASSROOM

Before and After School Care

As the nation's leading child care provider, YMCA Before and After School Care offers high-quality, state-licensed programming in Ohio and Kentucky for children ages 5–12, grounded in Achievement, Relationships, and Belonging.

Before and After School programs take place at YMCA branches and local schools.

- Homework help to support academic growth
- STEM enrichment that builds curiosity, problem-solving, and achievement
- Arts & crafts that encourage creativity and self-expression
- Daily physical activity that promotes health and teamwork
- Character development that strengthens leadership and positive relationships
- Fun, connection, and belonging with peers in a safe, supportive environment
