REMINDER: Wellness and Behavior Parent/Guardian Surveys

FHSD is committed to supporting the mental health and well-being of all students, and we would appreciate feedback from parents and guardians to help inform those efforts. Please take a few moments to complete the anonymous surveys linked below. The deadline to submit survey responses is February 2.

- **MindPeace Survey on School-Based Mental Health Treatments**
 - FHSD partners with [MindPeace](#) to help improve access to school-based mental health treatment. School-based therapy is the same treatment that can also be provided in outpatient offices, but school-based therapy can decrease barriers for families and can result in better outcomes for students because of the team approach to care. Your confidential input will be invaluable, so thank you for taking this short survey.
 - Parent/Guardian Survey Link: <https://www.surveymonkey.com/r/XX7H8QK>
 - Students in grades 9-12 will also be asked to complete a similar, anonymous survey during the week of January 29. [You can review the full list of questions here](#). Should you have questions, concerns or would like to opt your child out of this anonymous survey, please email Assistant Superintendent Kim Tinsley (kimtinsley@foresthills.edu) by January 26.
- **District Survey on Positive Behavioral Interventions and Supports (PBIS)**
 - FHSD is incredibly proud of our efforts to implement PBIS across the school district. All nine schools received individual recognition this school year for PBIS excellence, and FHSD is one of only 17 districts to be recognized in the state of Ohio. The following survey is a way for us to gather input on our school-wide

behavior planning. Your feedback will help us to improve this system in the future. To find out more about PBIS, please visit the [Ohio Department of Education and Workforce's website](#) or www.pbis.org. The following link is specific to our school building:

Hilinski's Hope Community Event on Mental Health

We hope you will consider joining us for an informative and engaging conversation about mental health, student wellness and suicide prevention on Monday, March 4. Thanks to support from the Forest Hills Foundation for Education, Anderson High School is hosting the Hilinski's Hope Foundation to lead a community presentation from 6:30-8:30 p.m. in Titus Auditorium. You can learn more about the event and find a link to RSVP [in our news article here](#).

Informational Tax Bill Update from FHSD

Treasurer Alana Cropper presented information on how school taxes are calculated and helpful resources for homeowners to find data specific to their property at January's Board of Education meeting. [You can click here to read a detailed news article](#), including links to watch the presentation and view the slides. It's important to remember that although existing properties do not produce any additional revenue on voted school levies, changing property values can have an impact on the amount of taxes charged to individual homeowners as the total amount is divided across all property in the school district.
