Wilson Families,

This week has certainly reminded us that sometimes we just have to roll with it! With Wilson without power for several days, preparing for our students to return next week has presented some unexpected challenges. We have had to adjust plans, shift schedules, and find creative ways to get everything done, but we'll be ready for next week!

Through it all, our staff has been incredibly flexible, patient, and calm, even with the extra stress and uncertainty weighing on them. I am so grateful for the way they have continued to focus on what matters most, which is making sure our students are welcomed back to a wonderful start to the school year.

That same *roll with it* spirit applies to our Back to School Bash! While we were disappointed to move our celebration from Thursday evening to Monday, we are excited to gather with our Wilson families and kick off the year together. Join us Monday, August 17, from 4:00–6:00 pm for our Back to School Bash! New Family Orientation will take place from 5:30–6:00 pm in the iLab.

We are so excited for a fantastic year with our students and families. Thank you for your flexibility and understanding as we navigate an unexpected start to the year. If any of you are facing hardships as a result of the storm, please let us know. We have a wonderful community who is always willing to rally together to help.

See you soon!

Building Information

Important Google Classroom Update

As we begin the 2026–2027 school year, we want to remind families that **Google Classroom is replacing Schoology for students in grades 3–12**. Seesaw will continue to be used in grades K–2.

Moving to Google Classroom creates a simpler, more connected experience with the Google tools students already use every day, while also reducing district software costs. Students and staff are receiving support as they learn new routines and make the transition.

What Families Need to Know

1. You will be automatically connected to your student(s).

Parent/guardian email information provided through FinalForms has been used to connect families with their students in Google Classroom.

Please be on the lookout for an email from Google Classroom with more information. If you previously received and accepted a Google Classroom guardian invitation, you may not receive another invitation. New invitations will begin to roll out on or shortly after the first day of school.

2. Watch for Guardian Email Summaries.

Google Classroom can send families automatic summaries that include:

- Missing assignments
- Upcoming assignments

- Recent class activity

You do **not** need a Gmail address or Google Account to receive these summaries. However, you will need a Google Account if you want to change how often you receive them or manage your settings. In order to connect a new email address to your student's Google Classroom, you must change your contact information in Final Forms.

3. ProgressBook remains the official source for grades.

This is not changing. **All official grades will continue to be communicated through ProgressBook.** Google Classroom is where students will access assignments, resources and teacher feedback.

We know a change in learning platforms requires some adjustment, and we appreciate your partnership as students, staff and families become familiar with Google Classroom. Throughout the year, we will continue sharing simple tips to help families make the most of its features.

New Staff Members

Kaitlin Breig: Paraprofessional

Kaitlin will be joining us as a paraprofessional on Fridays! She also works as a preschool paraprofessional at Sherwood Monday through Thursday. Additionally, she is attending Northern Kentucky University, pursuing a bachelor's degree in Early Childhood Education.

Outside of school, she is a mom to two boys who keep her busy! Kaitlin enjoys spending time with her family and looks forward to getting to know the Wilson community.

Jackie Fiora: Registered Nurse

Jackie will be supporting Julie Wilson in the health room, primarily assisting with tube feedings and other health room tasks. Her support will help Julie remain available to oversee the many needs that come her way throughout the school day. Julie will still lead and coordinate the health room and all student health needs.

Jackie has lived and worked in Cincinnati her entire life. She began her career in education, teaching first and third grade, before obtaining her RN license. She went on to work at Anderson Mercy and University of Cincinnati Medical Center and later served as a school nurse with the Hamilton County ESC in the Cincinnati area.

Jackie is married and lives in Anderson Township. Her children were Wilson Wildcats, so she is excited to be back at Wilson in a new role! Outside of work, she enjoys hiking, quilting, and knitting.

We are excited to have Jackie join our Wilson family and are grateful for the additional support she will provide in our health room!

Back to School Bash (Open House)

We will host our Back to School Bash on **Monday, August 17** from 4:00 to 6:00 pm. This is a great opportunity for families to visit classrooms, socialize with friends and drop off any school supplies. This is an open house format, so please visit whenever your schedule permits. Things are typically less crowded towards the end of the open house.

New Family Orientation

If your family is new to Wilson (this doesn't include our Kindergarten families), we will host a brief new family orientation on **August 17 from 5:30pm to 6:00 pm** in the Wilson iLab (during the Back to School Bash). Both parents and students are encouraged to attend. During this orientation, our new students will have a short activity and an opportunity to tour the building with our Sixth Grade Ambassadors while the new parents spend time learning more about Wilson and operational logistics.

Medication Drop-Off for the 26-27 School Year

If your child will require medication during the school day, a new medication permission form must be completed each school year. Each medication requires a separate form. [Medication Permission Form](#)

Please bring your students medication in the **original, labeled container** along with the completed medication permission form **signed by the physician and parent**. Julie Wilson, our Health Aide, will be available to receive medications on the following days and times:

- Monday, August 17
 - 9:00 am to 11:00 am
- Monday, August 17 (Back to School Bash)
 - 4:00 pm to 6:00 pm
- Tuesday, August 18
 - 1:00 pm to 4:00 pm

Beginning of the Year Information and Reminders

- *Final Forms*: We still have several families who have not completed the re-registration process through FinalForms. An annual review of this information is required for all students, and only takes a few minutes. Please visit: [FINAL FORMS](#) to review your child's information.
- *PaySchools Central*: PaySchools is used to pay all school fees, Kindergarten tuition, and add money to students' lunch accounts. Fees can also be paid via check and dropped off in the main office. When using PaySchools you will need your child's Student ID number (you can find this in Final Forms). [PAYSCHOOLS CENTRAL](#)
- *ProgressBook*: Students in the upper grades will have grades posted to ProgressBook regularly. All students will have interim and Report Cards available through ProgressBook as well (we still plan to send hard copies of report cards home). [PROGRESSBOOK](#)
- *Stopfinder*: The Stopfinder app can be used throughout the year to track bus routes, ETA's, and any other important transportation information. If you have any transportation questions, please contact the Transportation Department directly at (513) 231-3335. [STOPFINDER](#)
- *Absence Reporting*: If your child is going to be absent for any reason, please call the Wilson attendance line at (513) 852-9565 or email [Julie Wilson](#) in the Wilson Health Office. Please make

sure you state your name, your child's name and teacher, and the reason for the absence. Please remember to provide doctors' notes whenever possible.

- *Volunteer Background Checks:* The district requires anyone working directly with students, including chaperoning field trips, to have a valid background check. Background checks are completed online through the [Raptor System](#) and are good for five years. If you're unsure of your status, please contact [Tyler Hughes](#) in the main office before starting the online application.
- *Sub Solutions:* The district is always in need of talented people for substitute teachers, paraprofessionals, and teachers' aides. If you're interested in a position, please apply at [SUB SOLUTIONS](#). Open positions within the district are posted here: [FHSD JOB PORTAL](#).

Bus Helpers for Kindergarten and First Grade

We would love to have volunteers who are able to help kindergarten and first grade students get on and off the bus the first few days of school. AM only and PM only shifts are available! Classroom teachers will give you directions as to what you should do to help. Please see the sign up link below.

Parent Drop off and Pickup Procedures

We will use the same process as we have the past few years for arrival and dismissal. [DROP OFF & PICK UP TRAFFIC FLOW](#).

- Morning Drop Off
 - Enter the parking lot closest to Wolfangel and keep to the right.
 - Begin to form two rows only after passing the parking lot entrance on the left (to keep a lane open for cars to exit).
 - Vehicles will be held in the queue in the driveway perpendicular to the school.
 - Vehicles will move into the unloading zone as directed by staff. Once in the unloading zone, please put your vehicle in “Park”.
 - **Students may only exit their vehicle when given the ‘thumbs up’ from staff.**
 - Once all students have exited their vehicles cars may only leave the unloading zone once directed by staff.
 - Please refrain from parking in the lot and walking your student to the door.
 - Afternoon Pick Up
 - Vehicles should enter the driveway the same way as during drop off.
 - Kindergarten students will be walked to their cars by a staff member (be sure to have your parking tag visible).
 - First through Sixth grade students will be assisted by staff in finding their vehicle. We will load as many vehicles as we can, however, if your car is beyond the sidewalk we will have the students wait by the benches.

Lunch with Students

We love having our families in the building to enjoy lunch with their Wildcats. In saying that, it is important that our students have time to adjust to the routines and procedures at school while building relationships with their teachers and peers. **Families will be able to begin eating lunch with their Wildcats starting Thursday, October 1.**

Below is the lunch schedule so you can plan accordingly. We appreciate your understanding and support! Click here to see the daily lunch schedule: [RECESS/LUNCH SCHEDULES](#).

Unified Arts Schedules

We will follow the same Unified Arts Schedule as we have in previous years. Students in grades K-4 will have a rotating schedule for Fridays that we will post weekly at the end of this newsletter.

In the past teachers the Unified Arts teachers at Sherwood helped to support our larger school by teaching one class for each of our 1st and 2nd graders. This year, teachers from Maddux will travel to Wilson to support our Wildcats. Students in first and second grade will have one of their Unified Arts classes taught by a Maddux teacher.

Counselor's Corner

My name is Christina Durso, and I am so excited to join the Wilson community as your new school counselor this year! I am passionate about helping every child feel safe, supported, and confident as they learn and grow. Throughout the year, I will work with students on

important skills such as friendship, emotional regulation, problem-solving, and making positive choices, while also partnering with families and staff to support student success. I look forward to getting to know each of you and making this a wonderful school year together!

Wilson Cafeteria Volunteers

It is really helpful to have volunteers in the cafeteria, as it's a big job for Mr. C to keep everything moving and clean. Below is the volunteer signup link for August and September. Any help you can provide is greatly appreciated, especially for the younger grades!

August Lunch Volunteer Sign Ups [LINK](#)

September Lunch Volunteer Sign Ups [LINK](#)

As with any volunteering opportunity within the school, it is our expectation that you remain in the area for which you are volunteering. For example, if you are volunteering in the cafeteria, please do not walk down to your child's classroom or peek into their UA class to see what they're doing. We appreciate your help with this.

School Supply Lists for the 2026-2027 School Year

We have included school supply lists for 2026–2027 below. Supplies can be dropped during the Back to School Bash on Monday the 17th. Families who ordered the supply kits in the spring will have those supplies delivered to your child's classroom in time for the Bash.

2026-2027 Room Representative Volunteers Needed

A great way to get involved at Wilson is by volunteering as your child's classroom representative. In this role, you'll collaborate with your child's homeroom teacher to help plan class parties and organize volunteer opportunities. You'll also coordinate ways to show appreciation for your teacher throughout the year, including for their birthday, holidays, and at the end of the school year.

Please consider signing up using the link below. Each teacher will have a maximum of two room representatives. If you are signing up before teacher assignments are finalized, it's perfectly fine to leave that section of the questionnaire blank.
